## The Pop Culture Club Charter and Rules

The Pop Culture Club consists of students who share common hobbies such as video games, RPG, CCG, anime, manga, animation, comic books, trading cards and other forms of popular culture activities and collecting.

The club fee is \$10 per year. All club fees are spent for club supplies, etc.

ALL special events or contests require a registration fee and all funds will be funneled directly back into the club's expenses. Outside tournaments require fees (to be determined). Tournament fees assist in buying prizes.

Officers are elected once a year and they consist of a President, Vice President, Secretary and Administrative Assistant. Each position is obtained by the vote of registered club members. Elections are conducted several weeks after the start of the club's yearly meetings. Only those club members who are in attendance may vote. They must attend ALL of the meetings up to that point.

Officers MUST meet once a week, before consulting with the club's sponsor teacher. It is the responsibility of the officers to arrange club activities. All activities must be approved by the club sponsor and the school administration. Movies, video games, etc. shown or played during club meetings must be pre-approved by the school for content.

Anyone running for office is not allowed to bribe or bring in votes. If such a violation occurs they will be vacated from that officer position.

Tournament players must be photographed and their names listed with the photo. This discourages players trying to register twice for a game or event. No one outside of the school is allowed to attend events unless specifically requested to do so, such as a special speaker or guest.

ALL members of the club must sign in at every meeting and are required to fill out a Parental Permission Slip signed by both them and their parents or guardians.

Any activities or events held outside school facilities must be approved by the administration and special written permission must be obtained from club members' parents or guardians.

Rough-housing, possession of drugs or alcohol, pornography and inappropriate behavior will not be tolerated and the person or persons who partake in such occurrences will be asked to leave and will not be allowed to return.

The Pop Culture Club and Orange Park High School does not assume any responsibility for any items lost or stolen during club meetings or activities.

School conduct and rules apply. However, students are allowed to bring their cameras, I-Pods, etc. to the club meetings as long as listening to or watching them does not distract from other club activities. Food and drinks are allowed, provided members clean up when the club meeting ends. Chairs must be put up on tables for the cleaning crew.

Once a month, club members are to police the club's assigned area of the school. Members clean, pick-up trash, beautify with plants and water planted areas.
